

Political Equality Convention.

Canandaigua, June 10.—Arrangements have been made by Miss Harriet May Mills to have the county convention of Political Equality Clubs held at the Congregational reading rooms in this village next Thursday afternoon. The business session will be followed by an address by Miss Mills on "The Benefits of Equal Suffrage," and Miss Anna F. Miller, of Geneva, will also speak. There are at present but two clubs in the county, one at Geneva and the other at Phelps.
