To be the First to Wear the New Fashions Confers a Social Distinction

In every community there are women of taste and refinement who are leaders of style, upon whom other women rely for the fixing of fashions. In catering to the requirements of these women who enjoy possessing the new garments at the earliest possible moment, we have planned this advance spring showing of smartly tailored Wooltex Coats and Suits presenting a wonderfully attractive collection of distinctly new fashions; correct in style, refined in character, beautifully made of the most fashionable materials of the new season.

Now is the Best Time to Wear and Enjoy Them

The jackets of the new suits vary in length, some being even all around, some short in front, longer at the sides and still longer in the back. Some are form-fitting, some have straight lines to the waist with the graceful tipping flare below. The military motif is one of the influences of the new season.

Many of the coats are hooded and trimmed with buttons in distinctly original effects. In every coat and suit the collar plays a most important part, supplying one of the main features of the style of the garment. The rolling military effect is carried over in a wide collar. Practically all of the coats have detachable over-collars of plaid or silk.

The pictures show one of the charming new Wooltex coats. While the back is plain, the front shows a partial pile effect. The rolling collar may be worn open or closed. On some coats in this style, collar is piped with striped cloth.

The gusset under the arm, below the waistline, produces a wonderfully smart effect which seems to recede out on each side of the coat. The coat is 40 inches long and is full-lined with pans of organ. Prices $18.50.

It is a practically handsome model for large women. There are many other equally attractive models at the same popular price, $18.50.

Other Wooltex coats at $16.50 and $20.

Wooltex suits at $25, $30 and $50.

If you have not yet seen the new collection, we cordially invite you to come and view the garments at your earliest convenience.
